Training Centre for
Couple Relationship

Imago Basic Clinical Training is designed to help therapists and counselors become experts in the Imago Relationship Therapy model. Led by Imago Master Trainer, Dr Maya Kollman, and IITI Faculty Member, Pierrette Richard, this training provides a comprehensive understanding of the Imago approach and equips therapists with the tools necessary to help couples deepen their connection and transform their relationships. Some of the topics covered in the training include:

- Learn how Imago moves beyond traditional psychology into a new field called Relationality and the Building of Relational Competence.
- Skills for facilitating deeper connection and communication between partners.
- How to guide couples to uncover the root problems and patterns fueling most conflicts.
- Help couples heal together and work as a team.

Upon completion of the training, participants will be equipped with the knowledge and skills to provide effective Imago Relationship Therapy to couples in need.
